SMOKED OAK POLOS

Valencia Hardwoods
FINE FLOORING

FEATURES & SPECIFICATIONS

COLOR: SMOKED OAK POLOS

This color is achieved using deeply penetrating smoking process which naturally changes the color of the wood. Color variation is purposeful.

SPECIES: EUROPEAN OAK

Europe is known for its responsible selective forestry practices. The region where this wood originates produces highly sought after oak known for its tight grain and high tannin content.

THICKNESS: 9/16" (3.2mm Wear Surface)

WIDTH: 9.5"

LENGTH: 8' (80% Full Lengths)

TRIM: Stair Nose, Reducer, Square Nose, and T-molds

FINISH: EXTREME MATTE OIL

Natural oil finishes penetrate into the wood itself, leaving an elegant matte sheen that will last a lifetime.

- WEAR & STAIN RESISTANCE
- EASY CLEANING & REPAIRABILITY
- LOOK AND FEEL NATURAL
- 5% MATTE SHEEN
- NO VOC's

CONSTRUCTION

3-layer engineered construction, lab balanced for industry leading stability in all environments.

The Hevea hardwood core is a "re-use" material saving resources while also being a highly stable species.

- GLUE DOWN, NAIL OR FLOAT
- GUARANTEED OVER HYDRONIC HEAT
- INSTALL ABOVE OR BELOW GRADE

RESIDENTIAL WARRANTY

25-Year Finish - Lifetime Structural

COMMERCIAL WARRANTY

5-Year Finish - 5-year structural

RESPONSIBLE PRACTICES

We go to great lengths, as do our manufacturing partners to make sure responsible forestry, Lacey Act compliance, indoor air quality (Floor Score), ultra low waste and material re-use are integrated into our products from start to finish.
